HOTEL INFORMATION

For your stay during the 7th European Maritime Heritage Congress, the congress organization recommends the **Evidência Tejo Creative Hotel**.

Easily accessible, the nearest underground stop is Rossio, which is a mere 300 meters away. Furthermore, Chiado, Alfama and the Castle of San Jorge are 15 minutes away by foot which allows guests a quick and efficient access to the renowned sights and attractions of the city. The hotel is a mere 10 km from Lisbon Airport.

Located in the historical centre of Lisbon and just a short distance from the ferry station that provides a service to Seixal, in a pleasant trip of around twenty minutes across the river Tagus.

With your accommodation in Lisbon, we aim to provide our participants with more alternatives for the free time left available within the congress program.

One of the Seixal Municipal Ecomuseum team members will be on hand to help you make the short trip from the hotel to the ferry station and, after that, to the site where the congress is taking place, in a Municipal Council vehicle.
